### Invitation from Queens Borough President Melinda Katz

The Queens Borough President Melinda Katz values the time she has spent through the years with all of our families working on education issues and she invites our parents to stand with her together in unity on **Sunday March 5<sup>th</sup> at 4pm at Queens Borough Hall 120-55 Queens Blvd in Kew Gardens** to denounce exclusion, division and hate. Queens Borough Hall will stand in solidarity as one borough to express pride in our diversity, to denounce the recent upsurge in hate crimes across the country and to express support for those currently fearing for the future of their families. Queens is about all of our families' futures, and we stand united in solidarity to say: "Queens has your back".

## NYC School Survey

On March 9th, during Parent Teacher Conferences, NYC School Surveys will be distributed to parents to fill out. This survey provides important information to the City of New York and the Department of Education about PS 24's school environment. Last year, we had a nice turn out— almost 80% of parents responded to this survey. This year, our goal is to reach 100%! We will have computers available so that you can **GO PAPER-LESS!** Please stop by the Cafeteria and someone will be available to assist you. All participants will be entered in a special **"School Survey"** raffle, with a chance to win a big prize for your family! Remember, it's **"Your School. Your Child. Your Voice"** - make it count—return your survey during the Conferences.
