NYC 2017 School Survey

During Parent Teacher Conferences many parents took advantage of the laptops to complete surveys online or completed paper surveys at the school. We truly appreciate your feedback and response rate. All participants were automatically entered in the special school survey raffles! Winners to be announced soon!

If you did not pick up your survey, please contact our Parent Coordinator—Lu Yin. All surveys must be received by March 31, 2017.

We were so glad to see the large number of families come out for Parent Teacher Conferences! Strong parent involvement is a key component to the successful education of our children.

Jump Rope for Heart is sponsored by the American Heart Association and the Society of Health & Physical Educators. This fundraising event engages students to exercise via aerobic/jumping activities to improve their own health while

also helping other kids with heart-health issues. PS 24's Physical Education teachers are conducting this event. Information/donation envelopes were backpacked home. Please note that all donations must be returned no later than Friday, March 17.

COOKSHOP FOR FAMILIES WORKSHOP

This week's focus at CookShop for Families was Whole Grains. Parents learned the health benefits of eating whole grains and multi-grains and learned how to properly store whole grain foods. Also, we shared our experiences about cooking with our children. Then, together, parents cut, mixed and enjoyed making healthy Wheat Quesadillas! It was an easy and delicious meal! All participants said that this is a recipe that they will make at home with their children!
