## PTC—Grade Orientations & Conferences

Our teachers were very happy to have so many families attend the PTC Orientation Sessions to get a flavor of the expectations for the coming school year. A strong partnership between parents and teachers helps build a successful school experience for our children. In addition to the overview, teachers also shared valuable websites that are available for our families to use. If you:

- \* Missed the Orientation
- \* Wish to meet with your current teacher
- \* Have additional questions

You may still contact your teacher via email (located on each grade's monthly newsletter) or via a note through your child's blue PS 24 communications folder. You may also contact our Parent Coordinator—Ms. Yin.

Fitnessgram letters were backpacked home to families. Parents were encouraged to access this information via the NYC Schools Account. Creation letters were attached only for families who have not, as yet, opened an account. If you have any questions, please contact the Parent Coordinator.
