Vocabulary Boosters

A large vocabulary can turn your child into a better reader and writer. Here are some tips for you to try at home to help your child learn new words.

Keep your ears open. When you and your child go to places like the supermarket or museum, point out words that people use. Encourage your child to figure out what words mean by using context clues.

Go beyond nouns. Help your youngster add verbs and adjectives to his/her vocabulary. When he/she sends a thank-you notes or greeting cards, suggest descriptive words like "a polka-dot shirt" or a "fantastic birthday".
